NOTICE

Each real estate Licensee who is actively licensed in Louisiana shall, as a condition of licensing, carry and maintain errors and omissions insurance to cover all licensed activities. Each Licensee has the option of obtaining errors and omissions insurance independently, so long as the coverage complies with the minimum requirements established by the Louisiana Real Estate Commission (the Commission) and the Licensee obtains a "Certificate of Coverage" signed by an authorized agent or employee of the insurance carrier (which shall be filed with the Commission in compliance with LA R.S. §1466). If you currently have coverage with the Commission's group policy, your coverage will expire on January 1, 2009. If coverage under the policy is not renewed timely or the Licensee has not obtained the required coverage from another qualified insurance provider, the Commission will place the license on inactive status on the date of termination of insurance coverage.

In order to maintain a superior program for the Commission's official group program, Rice Insurance Services Company, LLC (RISC) has an agreement with Continental Casualty Company, one of the CNA insurance companies, to provide its policy for the Louisiana Licensees. RISC's experience and excellent claims service (specializing in real estate E&O) combined with CNA's strong financial performance and ratings (rated "A" by A.M. Best) will provide a quality program for Louisiana Licensees. If you wish to participate in the group program, the one-year premium of \$184 per Licensee for the group program is now due. Payment must accompany your license application or renewal and be submitted directly to the Commission. The group program provides the required limits of \$100,000/\$300,000 per Licensee with \$1,000 deductible for Damages and no deductible for Claim Expenses. **ACTIVE** Licensees (including licensed firms) are **REQUIRED** to carry E&O insurance. **INACTIVE** Licensees are not required to have E&O insurance. However, Licensees with expiring policies who are placing their licenses on inactive status may want to purchase an Optional Extended Reporting Period Endorsement (see below). Before activation of a license, a Licensee is required to obtain insurance coverage. Please contact your broker to verify that your company participates in the group plan before sending in your premium. The premium is fully earned and the policy does not permit refunds after the policy's inception date.

Higher Limits Available: Limits of \$250,000 per Claim per Insured Licensee, with a \$750,000 Annual Aggregate limit, are available to individual Licensees. Individual Licensees whose real estate activity is at least 75% residential sales and who have had no claims in the past five (5) years may pay an additional premium of \$100 to increase limits to \$250,000. Individual Licensees whose real estate activity is less than 75% residential sales and/or who have had claims in the past five (5) years may pay an additional \$150 to increase limits to \$250,000. **Payment for higher limits must be made directly to RISC (not the Commission).** In addition, we offer a firm "excess" policy with limits at levels of \$250,000, \$500,000 or \$1,000,000. Information about higher limits for the firm is being sent to your principal broker.

Optional Coverages Available: Conformity Endorsement, Appraisal Endorsement*, Limited Claim Expenses Coverage Environmental Endorsement (Pollution, Microbes or Fungi), and Limited Claim Expenses Coverage Real Estate Regulatory Complaints Endorsement. To obtain optional endorsement(s), please indicate your selection(s) on the enrollment form (on back) and enclose the appropriate fee. These optional coverages are **not** available for firm license coverage. **Note all payments for optional coverages must be mailed and made payable to RISC (not the Commission).**

***NOTICE – APPRAISAL COVERAGE EXCLUDED:**

Effective January 1, 2008, the activities of licensed real estate appraisers, who also hold an active real estate license, is no longer covered automatically for appraisal activity by purchasing the Commission's group Errors and Omissions insurance policy. The 2008 and 2009 group policy forms exclude coverage for appraisal activity. However, licensed appraisers who are also licensed as real estate licensees may purchase an optional coverage endorsement from the group provider to cover appraisal activity (see reverse side). Only active real estate licensees are eligible to purchase coverage pursuant to the Commission's group program. Individuals who are licensed as appraisers or appraiser trainees but do not have a real estate license should obtain coverage for their professional services as an appraiser. However, these individuals are not eligible to purchase coverage pursuant to the group policy issued to real estate licensees and Rice Insurance Services Company, LLC does not have access to a product for coverage for these individuals. Please contact our office at 1-800-637-7319 or visit our website www.risceo.com to obtain additional information regarding the new appraisal endorsement.

Optional Extended Reporting Period (ERP) Endorsement is available for licensees who are currently insured with the Commission's 2008 group policy through RISC and who have placed their license on inactive status or otherwise have not renewed their coverage. If a licensee retires, places his/her license on inactive status or allows his/her license to expire, the 2008 group policy provides the Licensee will be insured for claims made and reported within 90 days of the expiration date provided the error or omission upon which the claim is based took place after the "Retroactive Date" and before the policy expired. In case of cancellation or non-renewal of the policy for any reason, the Insured has the option to purchase an ERP endorsement within 90 days after the Licensee's policy has terminated. An ERP Endorsement is important because many professional liability claims are not made until months after the underlying transaction occurred. Insured Licensees with coverage expiring January 1, 2009 may obtain an ERP endorsement for one year (\$184 plus any applicable endorsement premium), for two years (\$276 plus any applicable endorsement premium) or three years (\$368 plus any applicable endorsement premium). Please contact us at (800) 637-7319 if you would like to obtain this coverage or visit our website at www.risceo.com.
