Please Support Your State Program

Over \$6.9 million in defense costs and damages have been incurred by Continental Casualty Company (a CNA insurance company) on behalf of Idaho licensees as of July 1, 2018 since 2004. Rice Insurance Services Company, LLC and Continental share a commitment to provide valuable coverage to Idaho licensees. When shopping for insurance, it's important to ask about a company's experience and paid claims in Idaho. If a company is charging a very low amount, you may find the carrier doesn't provide much coverage or pay many claims.

The state group program offers affordable E&O insurance to each and every licensee by spreading the risk over a large number of insureds. Without the group program's low premium, other carriers have no incentive to offer real estate E&O policies at affordable prices. In states without a group program, real estate E&O premiums may cost thousands of dollars and some licensees report being unable to obtain insurance at any price.

Rely on the Most Experienced Provider in the Business

The Rice family and their colleagues have specialized in mandated real estate E&O programs since 1989. CNA has more than 50 years of experience in E&O programs, including over 30 years in real estate E&O. CNA is the top provider of real estate liability insurance, with more than 100 years in the insurance business, industry knowledge, and financial strength to manage even the most complex risks. You can be confident we will be here for you even after you purchase coverage.

When a Claim is Made, Our Claims Adjusters Focus on You

Some people assume insurance companies look for reasons to deny coverage. Our duty to find coverage where the policy supports it is our utmost concern. Most insurance providers use one entity to sell the policy and another to handle claims. Because we do both, the information we provide about the policy reflects how it will actually apply when a claim is made. Providers who don't administer claims may not know how the carrier actually applies the policy when a claim is made.

We Stand by You Even if there is a Claim

You may be involved in a claim even if you did everything by the book. Some providers won't write your coverage if you have had a claim. Or if you have a claim, they may not renew your policy! There is no reason to fear reporting a claim under our program. We understand that having a claim does not mean you did anything wrong. Anyone can be involved in a transaction that goes sour. Never think that it can't happen to you. And we are here for you if it does.

All E&O Policies are Not the Same . . . Neither are All E&O Providers

Always Review the Actual Policy Provisions. The most accurate representation of what a policy covers is the policy itself. We recommend you review any policy you are considering and ask these questions:

Does the policy provide first dollar defense? Yes. There is no deductible for defense costs, so there is no cost to the insured unless there is a damage award or settlement. Other policies may have stringent requirements to qualify for first dollar defense.

Does the policy offer unlimited defense costs? Yes. There is no limit on the amount of defense costs available to pay covered claims under the basic policy. (Limited defense costs apply under the earnest money, environmental, fair housing, and regulatory complaints endorsements, which were not traditionally covered at all under many E&O policies.)

Does the policy insure transactions you do for relatives? Yes. The policy applies to claims involving professional services performed for your parents; grandparents; siblings; aunts; uncles; cousins; children; domestic partner; or spouse's parents, grandparents, siblings, or children. This is important, since buyers and sellers often turn to a trusted relative to represent them in a transaction.

Does the policy apply to claims relating to all types of real property? Yes. The policy applies to any claim relating to professional services, regardless of the type of property involved. Other policies may limit coverage to a specific property type, such as residential, or require additional premium for coverage for other kinds of property. Even if you currently handle only residential transactions, consider whether you are willing to forgo an opportunity to work with commercial property or farm land or to risk not having coverage for a claim resulting from the transaction.

Are insureds satisfied with the provider? Yes. Below are excerpts from actual emails we've received from insureds:

Thank you, thank you, thank you. Your swift response only reinforces my faith in your coverage and service. R.F. (Idaho)

I want to express my thanks to you. When you are in this "situation" there are a number of emotions that seem overwhelming . . . While I know we didn't do anything wrong, I cannot tell you how appreciative I am of the service that you and RISC offer. Not only have you saved us but you have been so kind in your communications. . . Also, I feel your insurance company provided us with a more professional and knowledgeable attorney that we could have had access to on our own. S.A. (Idaho)

I just wanted to . . . let you know what a wonderful job [defense counsel retained by RISC] did in representing me. He was always prompt, professional and helpful. I hope to obviously never have a claim again, but I wanted to let you know how awesome of a job I feel he did for me and [my firm]. S.W. (Iowa)

NOTICE: Active status Idaho real estate licensees who fail to purchase E&O insurance by Sunday, September 30, 2018 at 11:59:59 p.m. MT will be in violation of Idaho license law and will incur civil penalties and fines. If your firm is currently enrolled in the IREC's group program, your firm's coverage expires October 1, 2018 at 12:01 a.m. MT. Licensees may purchase insurance outside of the group program, provided coverage meets state requirements and proof of coverage is provided to the IREC as required by state law.

PROTECTION FROM THE MOST EXPERIENCED PROVIDER IN THE BUSINESS: RISC's management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to meet the specific needs of Idaho licensees. The insurance carrier is Continental, a CNA insurance company. RISC's experience and excellent claims service, combined with Continental's strong financial performance and ratings (rated "A" by A.M. Best), ensures a quality program.

REVIEW THE FOLLOWING IMPORTANT INFORMATION

What Is and Is Not Covered: We urge all licensees to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, ext. 1.

This is a Claims-Made-and-Reported Policy: There is no coverage for claims first made before the beginning or after the end of your firm's individual policy period. If your firm has any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your firm, it must be reported in writing immediately to your firm's insurance carrier before your firm's current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. Any claim under the group policy must be reported to us in writing during the individual policy period in which it is first made against the insured. Further instructions and a notice of claim form are available online form at www.risceo.com/notice-of-claim-form or by calling us toll-free at 1-800-637-7319, ext. 2.

Prior Acts and Importance of Timely Renewal: Your firm's "retroactive date" determines whether your firm's insurance applies to claim involving services performed before the policy's effective date. The retroactive date is the date from which your firm has continuously maintained uninterrupted E&O insurance with no breaks between policy periods. Even a one-day gap will result in a loss of coverage prior for ALL professional services performed before the new policy's effective date, even if your firm had E&O insurance when the services were provided and again when the claim arises. If your firm fails to enroll timely, call RISC immediately to see if your firm qualifies to backdate its individual policy period to October 1, 2018. This procedure will not remedy noncompliance with mandatory insurance laws, which will result in penalties and fines.

If Your Firm is Not Renewing: There is no coverage for claims that arise after the end of the individual policy period unless an extending reporting period (ERP) is in place. Claims often arise years after the subject transaction occurred. If your firm is not renewing coverage for any reason, (i.e. inactivating/retiring its license or switching to a firm policy), your firm should consider purchasing an ERP endorsement. We offer 1, 2, and 3 year ERP endorsements to extend the reporting date to apply to claims that are first made and reported within that period. An ERP endorsement may be purchased any time during or up to 90 days after the end of your firm's individual policy period.

Territory: Licensees domiciled in Idaho are insured for professional services performed anywhere they hold an active real estate license, provided the services would require a real estate license if performed in Idaho. Licensees domiciled outside of Idaho are insured for Idaho transactions only. Out-of-state licensees may be considered domiciled in Idaho if their principal real estate license is affiliated with a real estate office located in Idaho and they reside within 50 miles of the Idaho state line. Please see Section V of the policy for more information.

Effective Date: Licensees that enroll before October 1, 2018 will have an October 1, 2018 inception date. Licensees that enroll after October 1, 2018 will have an inception date of the day we receive the licensee's *completed application and premium*. Licensees not enrolled in the current group policy may request a different inception date (after 10/01/2018) for Continental's consideration: _____

Premium / Deductible: All premiums are fully earned at policy inception and no refunds are permitted after that date. If your firm's payment is returned for nonsufficient funds, your firm is responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Applicant agrees to reimburse the Company for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.
