NOTICE - Tennessee law requires that all active individual real estate licensees carry and maintain uninterrupted E&O insurance to cover all licensed activities. If you were enrolled in TREC's January 1, 2023 - January 1, 2025 group policy, your insurance expired January 1, 2025. Licensees who want to inactivate or retire their licenses in 2025 must have filed a TREC Form 1 to change license status before December 31, 2024 or else obtain insurance for the January 1, 2025 to July 1, 2026 period. Tennessee law requires principal brokers to adequately supervise all their firm's affiliate licensees. Principal brokers who fail to ensure their affiliate brokers maintain E&O insurance will be disciplined with a civil penalty up to \$1,000 per uninsured affiliate broker. Licensees may purchase insurance outside the group program, provided coverage meets state requirements and proof of coverage is provided to TREC as required by state law.

PROTECTION FROM THE MOST EXPERIENCED PROVIDER IN THE BUSINESS - RISC's management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to meet the specific needs of Tennessee licensees. The carrier is Continental Casualty Company (Continental), a CNA company rated "A" by A.M. Best. RISC's experience and excellent claims service, combined with CNA's strong financial performance, ensures a quality program.

OPTION FOR RENEWING E&O COVERAGE FOR MULTIPLE LICENSEES - Companies with 10+ licensees can request a Multiple Licensee Renewal Form to electronically submit enrollment information for all the firm's licensees timely and expediently.

FIRM EXCESS POLICIES AVAILABLE - Firm excess policies (written by Continental) with up to \$3,000,000 aggregate limits are available on an underwritten basis. To qualify, all the firm's licensees must participate in the group program. Contact us for an application to obtain a quote.

REVIEW THE FOLLOWING IMPORTANT INFORMATION AND SIGN BELOW

What Is and Is Not Covered - We urge all licensees to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, ext. 1.

This is a Claims-Made-and-Reported Policy - There is no coverage for claims first made before the beginning or after the end of your individual policy period. If you have any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. Any claim under the group policy must be reported to us in writing during the individual policy period in which it is first made against the insured. For further instructions and a notice of claim form, visit our website, www.risceo.com, then select the "Resources" tab and click "Forms" or call us toll free at 1-800-637-7319, Option 2.

Prior Acts and Importance of Timely Renewal - Your "retroactive date" determines whether your insurance applies to claims involving services performed before the policy's effective date. The retroactive date is the date from which you have continuously maintained uninterrupted E&O insurance, with no breaks between policy periods. Even a one-day gap will result in loss of coverage for ALL professional services performed before the new policy's effective date, even if you had E&O insurance when the services were provided and again when the claim arises. If you failed to enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, 2025 (subject to approval, \$20 cost if requested more than 60 days after group policy inception). This procedure will not remedy noncompliance with mandatory insurance requirements.

If You are Not Renewing - There is no coverage for claims that arise after the end of your individual policy period unless an extending reporting period (ERP) is in place. Claims often arise years after the subject transaction occurred. If you are not renewing coverage for any reason, (e.g. inactivating or retiring your license or switching to a firm policy), you should consider purchasing a 1, 2, 3, or 5 year ERP endorsement to extend the policy's reporting date to apply to claims that are first made and reported within that period. ERP endorsements may only be purchased during the individual policy period or up to 90 days after the end of the individual policy period.

Territory - Licensees domiciled in Tennessee are insured for real estate services performed anywhere they hold an active real estate license, provided the services would require a real estate license if performed in Tennessee. Licensees not domiciled in Tennessee are insured for Tennessee transactions only. Out-of-state licensees may be considered domiciled in Tennessee if their principal real estate license is affiliated with a real estate office in Tennessee and they reside within 50 miles of the Tennessee state line.

Effective Date - Coverage will be effective the day we receive your completed enrollment form and premium. To request an effective date different than the day we receive your completed enrollment form and premium, provide the requested effective date (after January 1, 2025) for the carrier's consideration:

Premium / Deductible - All premiums are fully earned at policy inception and no refunds are permitted after that date. If your payment is returned for nonsufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Enrollee agrees to reimburse the Company for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.

Enrollee has reviewed and understands the information contained herein. Enrollee declares that the above statements are true and that Enrollee has not suppressed or misstated any material facts. Enrollee understands that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. Enrollee agrees that this enrollment form shall be the basis of the contract with the Company and that coverage, if written, will be provided on a claims-made-and-reported basis. Enrollee understands and agrees that the completion of this enrollment form does not bind the Company to issue a policy.
