NOTICE - Wyoming law requires that all actively-licensed real estate brokers, broker associates, and salesmen carry and maintain E&O insurance to cover all licensed activities. Failure to do so may be a violation of licensing law and result in an administrative penalty. Re-activating and new licensees must obtain insurance before their license can be activated. Licensees may purchase insurance outside of the group program, as long as coverage meets state requirements and proof of coverage is provided to the WREC as required by state law. If you were enrolled in the 2024 group policy, your coverage expired January 1, 2025. If you choose to obtain insurance through RISC, online enrollment at www.risceo.com is encouraged. You may also enroll by mail (enrollment form on back).

Protection from the Most Experienced Provider in the Business - RISC's management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to meet the specific needs of Wyoming licensees. The insurance carrier is Continental Casualty Company (Continental), a CNA insurance company. RISC's experience and excellent claims service, combined with CNA's strong financial performance and ratings (rated "A" by A.M. Best), ensures a quality program.

Option for Enrolling Multiple Licensees - Companies with 10+ licensees can request a Multiple Licensee Renewal Form to electronically submit enrollment information for all the firm's licensees timely and expediently.

Firm Excess Policies Available - Firm excess policies (written by Continental) with up to \$3,000,000 aggregate limits are available on an underwritten basis. To qualify, all the firm's licensees must participate in the group program. Contact us for an application to obtain a quote.

REVIEW THE FOLLOWING IMPORTANT INFORMATION

What Is and Is Not Covered - We urge all licensees to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, ext. 1.

This is a Claims-Made-and-Reported Policy - There is no coverage for claims first made before the beginning or after the end of your individual policy period (unless an extended reporting period applies). If you have any knowledge of a claim, potential claim, or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. Any claim under the group policy must be reported to us in writing during the individual policy period in which it is first made against the insured. For further instructions and a notice of claim form, visit our website, www.risceo.com, then select the "Resources" tab and click "Forms" or call us toll-free at 1-800-637-7319, ext. 2.

Prior Acts and Importance of Timely Renewal - Your "retroactive date" determines whether your insurance applies to claims involving services performed before the new policy's effective date. The retroactive date is the date from which you have continuously maintained uninterrupted E&O insurance with no breaks between policy periods. Even a one-day gap between insurance policy periods will preclude coverage of any professional services performed before and through the last day of the gap, even if you had insurance in effect when the services were rendered and again when the claim arises. If you failed to enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, 2025 (subject to approval, \$20 cost if requested more than 60 days after group policy inception). This procedure will not remedy noncompliance with mandatory insurance laws, which may result in penalties and fines.

Not Renewing Coverage for Any Reason? Claims often arise years after the subject transaction occurred, but most E&O policies are claims-made-and-reported policies, which do not typically provide any coverage for claims that may arise after the end of the policy period unless an extended reporting period (ERP) is in place. If you are not renewing coverage through the group policy for any reason (e.g., inactivating / retiring your license or switching to another provider), you should consider purchasing a 1, 2, 3, or 5 year or unlimited ERP endorsement to extend the policy's reporting date to apply to claims that are first made and reported within that period. An ERP endorsement may only be purchased any time during or up to 90 days after the end of your individual policy period.

Territory - Licensees domiciled in Wyoming are insured for real estate services performed anywhere they hold an active real estate license, provided the services would require a real estate license if performed in Wyoming. Licensees not domiciled in Wyoming are insured for Wyoming transactions only. Out-of-state licensees may be considered domiciled in Wyoming if their principal real estate license is affiliated with a real estate office in Wyoming and they reside within 50 miles of the Wyoming state line. See the Territory section of the policy for more information.

Effective Date - Your inception date will be the day we receive your completed enrollment form and premium. You may request a different inception date (after January 1, 2025) for Continental's consideration:

Premium / Deductible - All premiums are fully earned at policy inception and no refunds are permitted after that date. If your payment is returned for non-sufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Enrollee agrees to reimburse Continental for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.
