**Request to Backdate Inception Date of Individual Policy Period  
 Colorado Department of Regulatory Agencies, Division of Real Estate  
 Group Errors and Omissions (E&O) Policy**

**Important Information about Prior Acts Coverage:** The Colorado Department of Regulatory Agencies, Division of Real Estate’s 2021 group policy expired January 1, 2022. An actively licensed / credential real estate appraiser’s failure to maintain continuous real estate appraisal errors and omissions (E&O) coverage is a violation of state law and results in loss of coverage for claims involving professional services rendered before your new policy’s inception date (appraisers employed by a state, local, or federal government entity are exempt from the requirement). The “retroactive date” of your policy determines whether or not you have coverage for services rendered before the inception date of your current policy. Your retroactive date is the date you first obtained E&O insurance and since which have continuously maintained such insurance, with no gaps. Even a one-day gap between insurance policy periods will preclude coverage of any professional services performed before and through the last day of the gap, even if you had insurance in effect when the services were rendered and again when the claim arises.

**Request to Backdate:** You may request to add an endorsement to your insurance to backdate the inception of your **Individual Policy Period** up to 90 days from the date we receive this completed request form and applicable premium. The carrier reserves the right to deny requests to backdate. In that event, we will refund you the difference between the premium you sent and the actual prorated premium charged based on your inception date. Requests to backdate, if granted, will only apply to your coverage through the basic group policy. With the exception of the Conformity Endorsement, optional endorsements cannot be backdated. Requests to backdate, if granted, do not cure failure to comply with state law, and the real estate regulatory board or commission may still issue fines and penalties.
