**APPRAISER ERRORS AND OMISSIONS (E&O) INSURANCE NOW AVAILABLE
 UNDER THE LOUISIANA REAL ESTATE COMMISSION'S (LREC's) GROUP E&O PROGRAM**
 Administered by Rice Insurance Services Company (RISC) and Issued by Continental Casualty Company

Active Louisiana Residential Certified Real Estate Appraisers, General Certified Real Estate Appraisers, and Real Estate Appraiser Trainees:
 You can purchase E&O insurance for your appraisal activities under the LREC's group program, even if you don't have an active real estate license.

How does it work? You may complete and send this form with your premium payment to RISC to purchase insurance under the group program and an endorsement that amends the policy in several ways, including (1) amending the term licensee to also refer to the insured appraiser; (2) adding the following to insured activity: professional services "as a residential certified real estate appraiser, general certified real estate appraiser, or real estate appraiser trainee as defined in Louisiana real estate appraisers law and for which the Licensee is required to have an appraiser license, provided all necessary licenses are held by the Licensee at the time of the act, error, or omission giving rise to the Claim."; and (3) deleting the policy exclusion for appraisal services. This will insure your covered appraisal services but will not insure services that require a Louisiana real estate license if you do not have an active real estate license.

Appraiser Trainees: In the past, we offered an appraiser trainee endorsement that could be purchased by supervising appraisers who also had an active real estate license to add appraiser trainees as an insured under the supervising appraiser's insurance. This endorsement is no longer being offered, as actively licensed appraiser trainees may now purchase their own insurance under the group policy with the appraisal endorsement.

PROTECTION FROM THE MOST EXPERIENCED PROVIDER IN THE BUSINESS: RISC's management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to provide Louisiana appraisers with an option to purchase affordable E&O insurance through the LREC's group policy. The insurance carrier is Continental Casualty Company, a CNA company. RISC's experience and excellent claims service, combined with CNA's strong financial performance and ratings (rated "A" by A.M. Best), ensures a quality program for Louisiana appraisers.

ABOUT THE BASIC POLICY: Limits of liability of \$100,000 per claim and \$300,000 in the aggregate, with a \$1,000 damage deductible and no claim expense deductible. If you were enrolled in our 2018 group policy, your coverage expired January 1, 2019. The 2019 group policy period is January 1, 2019 to January 1, 2020. The annual premium for appraisers is \$379. Appraisers who enroll after January may pay a prorated premium. See the back for prorated premiums, enrollment instructions, and additional information.

REVIEW THE FOLLOWING IMPORTANT INFORMATION AND SIGN BELOW:

What Is and Is Not Covered: We urge all appraisers to review a sample policy, including the Exclusions section, and the appraisal endorsement. Sample forms and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, ext. 1.

This is a Claims-Made-and-Reported Policy: There is no coverage for claims first made before the beginning or after the end of your individual policy period. If you have any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. To report a claim under the group policy, you must send us written notice of the claim and a notice of claim form, available on our website or by calling us and requesting one.

There is no coverage for claims that arise after the policy expires unless an extended reporting period (ERP) is in place. However, claims often arise years after the subject transaction occurred. If you do not renew coverage for any reason, including inactivating or retiring your license, you should consider purchasing a 1, 2, or 3 year ERP Endorsement, which extends the reporting date of your policy to apply to claims that arise within the ERP. An ERP Endorsement may be purchased within 90 days after the policy ends.

Prior Acts and Importance of Timely Renewal: Your "retroactive date" determines whether there is coverage for services performed before the policy's effective date. The retroactive date is the date you first obtained, and since which have continuously maintained, E&O insurance, with no gaps. Even a one-day gap will result in loss of coverage for any services provided before and through the last day of the gap, even if insurance was in place at the time of the services and again when the claim arises. If you failed to enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, which may avoid a gap in coverage and loss of any previously-established retroactive date.

Territory: Appraisers domiciled in Louisiana are insured for errors and omissions committed anywhere they hold an active appraisal license, provided the services would require an appraisal license if performed in Louisiana. Appraisers domiciled outside of Louisiana are insured for Louisiana appraisals only. However, out-of-state appraisers will be treated as domiciled in Louisiana if their principal appraiser license is affiliated with an appraisal office located in Louisiana and they reside within 50 miles of the Louisiana state line. If a claim results in, or from a lawsuit, the lawsuit must be brought within the U.S., its territories or possessions.

Effective Date: Coverage will be effective the day we receive your *completed application* and premium. If you would like to request an effective date different than the day we receive your *completed application* and premium, provide the requested effective date: _____

Premium / Deductible: Applicant understands that all premiums are fully earned at policy inception and no refunds are permitted after that date. If your payment is returned for nonsufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Applicant agrees to reimburse the Company for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.

Applicant has reviewed and understands the information contained herein. Applicant declares that the above statements are true and that Applicant has not suppressed or misstated any material facts. Applicant understands that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. Applicant agrees that this application shall be the basis of the contract with the Company and that coverage, if written, will be provided on a claims-made-and-reported basis. Applicant understands and agrees that the completion of this application does not bind the Company to issue a policy.
