

**Request to Backdate Inception Date of Individual Policy Period
Mississippi Real Estate Commission's Group Errors and Omissions (E&O) Policy**

Important Information about Prior Acts Coverage: The Mississippi Real Estate Commission's 2022 group policy expired July 1, 2023. Active individual licensees must maintain E&O insurance. Active licensed real estate companies are not required to carry E&O insurance but may choose to do so (the responsible broker is required to maintain individual E&O coverage). An active licensee's failure to maintain continuous real estate E&O coverage is a violation of state law and results in loss of coverage for claims involving professional services rendered before your new policy's inception date. The "retroactive date" of your policy determines whether or not you have coverage for services rendered before the inception date of your current policy. Your retroactive date is the date you first obtained E&O insurance and since which have continuously maintained such insurance, with no gaps. Even a one-day gap between insurance policy periods will preclude coverage of any professional services performed before and through the last day of the gap, even if you had insurance in effect when the services were rendered and again when the claim arises.

Request to Backdate: You may request to backdate the inception of your **Individual Policy Period**. However, the carrier reserves the right to deny requests to backdate. In that event, we will refund you the difference between the premium you sent and the actual prorated premium charged based on your inception date. Requests to backdate, if granted, will only apply to your coverage through the basic group policy. With the exception of the Conformity Endorsement, optional endorsements cannot be backdated. Requests to backdate, if granted, do not cure failure to comply with state law, and the real estate regulatory board or commission may still issue fines and penalties.
