REVIEW THE FOLLOWING IMPORTANT INFORMATION AND SIGN BELOW:

What Is and Is Not Covered: We urge all licensees to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, ext. 1, and requesting one.

This is a Claims-Made-and-Reported Policy: There is no coverage for claims first made before the beginning or after the end of your individual policy period. If you have any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. To report a claim under the group policy, you must send us written notice of the claim and a notice of claim form, available on our website or by calling us and requesting one.

There is no coverage for claims that arise after the policy expires unless an extending reporting period (ERP) is in place. However, claims often arise years after the subject transaction occurred. If you are not renewing coverage for any reason, including inactivating or retiring your license, you should consider purchasing a 1, 2, or 3 year ERP endorsement, which extends the reporting date of your policy to apply to claims that arise within the ERP. An ERP endorsement may be purchased within 90 days after the 2017 – 2018 group policy ended. For licensees insured under the 2019 group policy, ERP endorsements will be available within 90 days of its end date.

Prior Acts and Importance of Timely Renewal: Your “retroactive date” determines whether there is coverage for services performed before the policy’s effective date. The retroactive date is the date you first obtained, and since which have continuously maintained, E&O insurance, with no gaps. Even a one-day gap will result in loss of coverage for any services provided before and through the last day of the gap, even if insurance was in place at the time of the services and again when the claim arises. If you did not enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, 2019, which may avoid a gap in coverage and loss of any previously-established retroactive date. This procedure will not remedy noncompliance with mandatory insurance laws.

Territory: Licensees domiciled in Tennessee are insured for errors and omissions committed anywhere they hold an active real estate license, provided the services would require a real estate license if performed in Tennessee. Licensees domiciled outside of Tennessee are insured for Tennessee transactions only. However, out-of-state licensees will be treated as domiciled in Tennessee if their principal real estate license is affiliated with a real estate office located in Tennessee and they reside within 50 miles of the Tennessee state line. If a claim results in or from a lawsuit, the lawsuit must be brought within the U.S., its territories or possessions.

Effective Date: Coverage will be effective the day we receive your completed application and premium. If you would like to request an effective date different than the day we receive your completed application and premium, provide the requested effective date:

Premium / Deductible: Applicant understands that all premiums are fully earned at policy inception and no refunds are permitted after that date. If your payment is returned for nonsufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Applicant agrees to reimburse the Company for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.

Applicant has reviewed and understands the information contained herein. Applicant declares that the above statements are true and that Applicant has not suppressed or misstated any material facts. Applicant understands that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. Applicant agrees that this application shall be the basis of the contract with the Company and that coverage, if written, will be provided on a claims-made-and-reported basis. Applicant understands and agrees that the completion of this application does not bind the Company to issue a policy.
