Request to Backdate Inception Date of Individual Policy Period  
 Colorado State Real Estate Appraisers' Group Errors and Omissions (E&O) Policy

**Important Information about Prior Acts Coverage:** The Colorado state real estate appraisers' 2018 group policy expired January 1, 2019. An active certified general appraiser's, certified residential appraiser's, or licensed appraiser's failure to maintain continuous real estate errors and omissions (E&O) coverage is a violation of state law and results in loss of coverage for claims involving professional services rendered before your new policy's inception date. The "retroactive date" of your policy determines whether or not you have coverage for services rendered before the inception date of your current policy. Your retroactive date is the date you first obtained E&O insurance and since which have continuously maintained such insurance, with no gaps. Even a one-day gap between insurance policy periods will preclude coverage of any professional services performed before and through the last day of the gap, even if you had insurance in effect when the services were rendered and again when the claim arises.

**Request to Backdate:** You may request to backdate the inception of your **Individual Policy Period** up to 90 days from the date we receive this completed request form and applicable premium. The carrier reserves the right to deny requests to backdate. In that event, we will refund you the difference between the premium you sent and the actual prorated premium charged based on your inception date. Requests to backdate, if granted, will only apply to your coverage through the basic group policy. Optional endorsements cannot be backdated. Requests to backdate, if granted, do not cure failure to comply with state law, and the real estate regulatory board or commission may still issue fines and penalties.

The appraiser (the “**Appraiser**”) requesting a backdated inception date for the **Individual Policy Period** under the Colorado state real estate appraisers’ current group policy (the “**Policy**”) certifies and warrants that:

- I. As of the date written below next to the **Appraiser’s** signature, such **Appraiser** has no knowledge of:
  - A. any **Claim** that has been made against any **Insured** since the date such **Appraiser’s** prior real estate appraiser errors and omissions insurance policy, if any, expired; or
  - B. a negligent act, error, or omission, or any fact, circumstance, or situation, that might reasonably be expected to be the basis of a **Claim** against any **Insured**.

The **Appraiser** understands and acknowledges that if the **Appraiser** has any such knowledge, the Company shall not be liable under the **Policy** to pay any **Damages** or **Claim Expenses** for any **Claim** or **Related Claim** alleging, arising from, or related to any such claims, negligent acts, errors, omissions, facts, circumstances, or situations.

- II. The **Appraiser** further understands and acknowledges that the backdated inception date for the **Individual Policy Period**, if granted, does not impact such **Appraiser’s** failure to comply with mandatory insurance laws and the regulatory agency or commission may still issue penalties and fines;
- III. The backdated inception date for the **Individual Policy Period**, if granted, shall not apply to any **Claim** made prior to the date of this request or after the expiration of the **Individual Policy Period** or any applicable Extended Reporting Period. If prior to the date of this request any **Insured** had a reasonable basis to believe a **Claim** may arise, then the backdated inception date for the **Individual Policy Period** shall not apply to such **Claim** or any **Related Claim**.

Bolded terms have the meanings defined in the Policy.
