WHERE COVERAGE APPLIES

For licensees domiciled in North Dakota, the policy applies to professional services provided anywhere in the world, so long as the licensee is duly licensed in the state where services were provided and the services would require a real estate license had they been performed in North Dakota. Licensees not actually or considered under the policy to be domiciled in North Dakota are insured only for professional services rendered in North Dakota.

Please Support Your State Program

More than **\$1.3 Million** in defense costs and damages have been incurred by Continental Casualty Company (a CNA insurance company) as of August 1, 2019 since 2003. RISC and CNA share a commitment to their insureds to provide valuable coverage to North Dakota licensees. When shopping for insurance, it's important to ask about the company's experience and paid claims in North Dakota. If a company is charging a very low amount, you may find the carrier doesn't provide much coverage or pay many claims.

The state group program offers affordable E&O insurance to each and every licensee by spreading the risk over a large number of insureds. Without the group program's low premium, other carriers have no incentive to offer real estate E&O policies at affordable prices. In states without a group program, real estate E&O premiums may cost thousands of dollars and some licensees report being unable to obtain insurance at any price.

Rely on the Most Experienced Provider in the Business

The Rice family and their colleagues have specialized in mandated real estate E&O programs since 1989. CNA has more than 50 years of experience in E&O programs, including over 20 years in real estate E&O. CNA is the top provider of real estate liability insurance, delivering more than 100 years of experience, industry knowledge, and financial strength to manage even the most complex risks. You can be confident we will be here for you even after you purchase coverage.

When a Claim is Made, Our In-House Claims Adjusters Focus on You

Some people assume insurance companies look for reasons to deny coverage. Our duty to find coverage where the policy supports it is our utmost concern. Most insurance providers use one entity to sell the policy and another to handle claims. Because we do both, the information we provide about the policy reflects how it will actually apply in the event of a claim. Providers who don't administer claims may not know how the carrier actually applies the policy when a claim is made.

We Stand by You Even if there is a Claim

You may be involved in a claim even if you did everything by the book. Some providers won't write your coverage if you have had a claim. Or if you have a claim, they may not renew your policy! There is no need to fear reporting a claim under our program. We understand having a claim does not mean you did anything wrong. Anyone can be involved in a transaction that goes sour. Never think it can't happen to you. And we are here to help you if it does.

All E&O Providers are Not the Same . . .

Neither are All E&O Policies

Always Review the Actual Policy Provisions!

The most accurate representation of what a policy covers is the policy itself. We recommend you review any policy you are considering and ask these questions:

Does the policy offer unlimited defense costs? Yes. There is no limit on the amount of defense costs for claims covered under the basic policy.

Does the policy insure transactions you do for relatives?

Yes. The RISC policy applies to claims involving services performed for you and your spouse's relatives. This is important, since buyers and sellers often turn to a trusted relative who is a real estate licensee to represent them in a transaction.

Does the policy apply to claims relating to all types of real property? Yes.

The RISC policy applies to any claim relating to professional services, regardless of the type of property involved. Other policies may limit coverage to a specific type of property, such as residential, or require additional premium for coverage for other kinds of property. Even if you currently handle only residential transactions, consider whether you are willing to forgo an opportunity to work with commercial property or farm land or to risk not having coverage for a claim resulting from the transaction.

Does the policy insure your firm for its vicarious liability for your professional services? Yes.

Claims are often made against real estate firms as a result of their licensees' negligence. Under the group program, the policy applies to covered claims alleging the firm's vicarious liability for negligence in the insured licensee's professional services. Some policies issued to individual licensees may not provide coverage for the firm's vicarious liability, which may leave the firm uncovered in the event of a claim.

Are Insureds satisfied with the provider's service? Yes.

A lot of agents are [enrolling] online and it's wonderful!!!! A.M. (Contact for large SD firm with agents licensed in ND, SD, and NE)

It's nice to know that the person on the other end is actually reading and analyzing the reports. Unfortunately, far too often, that seems to be the exception rather than the norm. So, we really appreciate your attention to this case and have enjoyed working with you throughout this process. A.M. (defense counsel regarding our claims handling)

I so appreciate all of your assistance with our new policy. D.O. (SD insured)
