NOTICE – Colorado law requires that actively licensed / credentialed real estate appraisers maintain E&O insurance to cover all licensed activities. Appraisers employed by a local, state, or federal government entity are exempt from the requirement. Appraiser applicants must obtain E&O insurance prior license activation. Active certified general appraisers, certified residential appraisers, and licensed appraisers under C.R.S. Title 12, Article 61, Part 7 may enroll in the Colorado group appraiser E&O program. If you were enrolled in the 2020 group program, your insurance expired January 1, 2021. We will verify coverage with the Colorado Department of Regulatory Agencies; it is your responsibility to provide verification to other entities. The group program is not available to appraisal management companies and does not insure services as a controlling appraiser for an appraisal management company. Insurance may be obtained outside of the group program, provided state requirements are met. Always obtain and renew your E&O insurance timely to prevent a gap in coverage, which could lead to uncovered claims.

IMPORTANT INFORMATION REGARDING APPRAISAL FIRMS – Appraisal Firm means a legal entity with which certified general appraisers, certified residential appraisers, or licensed appraisers, as defined in C.R.S. §12-61-706, are affiliated and which employs the Appraiser. Appraisal Firm does not include an appraisal management company, as defined in C.R.S. §12-61-702. The policy's definition of insured includes "any Appraisal Firm that the Appraiser represents but only for its vicarious liability for the negligent acts, errors, or omissions or Discriminatory Conduct arising out of Professional Services by the Appraiser."

PROTECTION FROM THE MOST EXPERIENCED PROVIDER IN THE BUSINESS – RISC's management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to meet the specific needs of Colorado appraisers. The insurance carrier is Continental, a CNA insurance company. RISC's experience and excellent claims service, combined with CNA's strong financial performance and ratings (rated "A" by A.M. Best), ensures a quality program for Colorado appraisers.

REVIEW THE FOLLOWING IMPORTANT INFORMATION AND SIGN BELOW

What Is and Is Not Covered – We urge all appraisers to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, Option 1.

This is a Claims-Made-and-Reported Policy – There is no coverage for claims first made before the beginning or after the end of your individual policy period. If you have any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. Any claim under the group policy must be reported to us in writing during the individual policy period in which it is first made against the insured. For further instructions and a notice of claim form, visit our website, www.risceo.com, then select the "Resources" tab and click "Forms" or call us toll-free at 1-800-637-7319, Option. 2.

Appraiser Trainee Endorsement – The group policy applies to the insured appraiser's professional services. It does not apply to services performed by anyone who is not a certified or licensed appraiser and assists in the collection of data or preparation of an appraisal, regardless of whether the person was under the direct supervision of a certified or licensed appraiser or whether the final appraisal was approved and signed by a certified or licensed appraiser. If you utilize or supervise appraiser trainees, you may be interested in purchasing an appraisal trainee endorsement to add specific appraiser trainees employed by you and assisting you in the performance of your profession services as insureds.

Prior Acts and Importance of Timely Renewal – Your "retroactive date" determines whether there is coverage for services performed before the policy's effective date. The retroactive date is the date from which you have maintained continuous, uninterrupted E&O insurance, with no gaps. Even a one-day gap will result in loss of coverage for ALL professional services performed before the new policy's effective date, even if you had E&O insurance when the services were provided and again when the claim arises. If you failed to enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, 2021 (subject to approval, \$20 cost if requested more than 60 days after group policy inception). This procedure will not remedy noncompliance with mandatory insurance laws.

Not Renewing Coverage through the Group Program? Consider an Optional Extended Reporting Period (ERP) Endorsement – There is no coverage for claims that arise after the end of your individual policy period unless an ERP is in place. Claims often arise years after the subject transaction occurred. If you were enrolled in the 2020 group policy and not renewing coverage under the 2021 group policy for any reason (e.g. inactivating / retiring your license or switching to another provider), you should consider purchasing a 1, 2, or 3 year ERP endorsement to extend the policy's reporting date to apply to claims that are first made and reported within that period. Appraisers insured under the 2021 group policy who do not renew coverage for 2022 will be able to purchase a 1, 2, 3, or 5 year ERP endorsement to extend the policy's reporting date to apply to claims that are first made and reported within that period. An ERP endorsement may only be purchased any time during or up to 90 days after the end of your individual policy period.

Territory – Appraisers domiciled in Colorado are insured for real estate appraisal services performed anywhere they are duly licensed, provided the services would require an appraiser license if performed in Colorado. Appraisers not domiciled in Colorado are insured for professional services performed only in Colorado. To be eligible for coverage, a claim must be brought within the United States of America, its territories or possessions.

Effective Date – Coverage will be effective the day we receive your completed application and premium. To request an effective date different than the day we receive your completed application and premium, provide the requested effective date (after 1/01/2021) for the carrier's consideration: _____

Premium / Deductible – All premiums are fully earned at policy inception and no refunds are permitted after that date. If your payment is returned for nonsufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Applicant agrees to reimburse the Company for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.

Applicant has reviewed and understands the information contained herein. Applicant declares that the above statements are true and that Applicant has not suppressed or misstated any material facts. Applicant understands that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. Applicant agrees that this application shall be the basis of the contract with the Company and that coverage, if written, will be provided on a claims-made-and-reported basis. Applicant understands and agrees that the completion of this application does not bind the Company to issue a policy.
