The group program is open to all actively-licensed Wyoming real estate brokers, broker associates, and salesmen; anyone re-activating their license; and license applicants. Real estate company licensees are not required to purchase insurance but may do so. Hallmarks of our program include top-notch customer service and a group policy tailored for Wyoming licensees.

BRINGING 30+ YEARS EXPERIENCE TO WYOMING LICENSEES

This type of program is not new to us—our management team has more experience with group real estate E&O programs than anyone else in the business. For licensees domiciled in Wyoming, the policy applies to professional services provided anywhere in the world, so long as the licensee is duly licensed in the state where services were provided and the services would require a real estate license had they been performed in Wyoming. Licensees not actually or considered under the policy to be domiciled in Wyoming are insured only for professional services rendered in Wyoming.

Please Support Your State Program

RISC and the carrier share a commitment to their insureds and providing valuable coverage to Wyoming licensees. The state group program offers affordable E&O insurance to each and every licensee by spreading the risk over a large number of insureds. In states without a group program, real estate E&O premiums may cost thousands of dollars and some licensees report being unable to obtain insurance at any price.

Rely on the Most Experienced Provider in the Business

The Rice family and their colleagues have specialized in mandated real estate E&O programs since 1989. Continental Casualty Company, a CNA insurance company, is the insurance carrier. CNA has 50+ years of experience in E&O programs, including 30+ years in real estate E&O. CNA is the top provider of real estate liability insurance, delivering 100+ years of experience, industry knowledge, and financial strength to manage even the most complex risks. You can be confident we will be here for you even after you purchase coverage.

When a Claim is Made, Our In-House Claims Adjusters Focus on You

You may be involved in a claim even if you did everything by the book - Even frivolous claims create headaches and can lead to thousands of dollars in defense costs. • Minor details often lead to major claims - Leaving a single blank initial line, assuming a home has city sewer, and failing to urge a buyer to follow up with a lender have all resulted in claims against real estate licensees. • Real estate licensees sometimes have little or no control of the root cause of a claim - For example, many licensees have represented buyers who had a friend or relative (instead of a licensed inspector) look at the property to save money. When problems arise after closing, the buyers may go after the real estate licensees rather than blaming the person who did them a "favor."

Our duty to find coverage where the policy supports it is our utmost concern. Most insurance providers use one entity to sell the policy and another to handle claims. Providers who don't administer claims may not know how the carrier actually applies the policy when a claim is made. Because we do both, the information we provide about the policy reflects how it will actually apply in the event of a claim.

Our experienced in-house adjusters work with you through the entire process. Don't wait until you're faced with a claim to discover if your E&O provider is knowledgeable and responsive (like RISC) or inexperienced and difficult to reach.

We Stand by You Even if there is a Claim

Some providers won't write your coverage if you have had a claim. Or if you have a claim, they may not renew your policy! There is no need to fear reporting a claim under our program. We understand having a claim does not mean you did anything wrong. Anyone can be involved in a transaction that goes sour. Never think it can't happen to you. And we are here to help you if it does.

Our Website Makes Everything Easier

With our website, it's easy and convenient to enroll online and learn more about the group program. Take a look at our enhanced website and learn how RISC puts the Experience and Options in E&O programs.

All E&O Providers are Not the Same . . . Neither are All E&O Policies

Always Review the Actual Policy Provisions!

The most accurate representation of what a policy covers is the policy itself. We recommend you review any policy you are considering and ask these questions:

Does the policy offer unlimited defense costs? Yes. There is no limit on the amount of defense costs for covered claims.

Does the policy insure transactions you do for relatives? Yes. The RISC policy applies to claims involving services performed for your relatives and in-laws. This is important, since buyers and sellers often turn to a trusted relative who is a real estate licensee to represent them in a transaction.

Does the policy apply to claims relating to all types of real property? Yes. The RISC policy applies to any claim relating to professional services, regardless of the type of property involved. Other policies may limit coverage to a specific type of property, such as residential, or require additional premium for coverage for other kinds of property. Even if you currently handle only residential transactions, consider whether you are willing to forgo an opportunity to work with commercial property or farmland or to risk not having coverage for a claim resulting from the transaction.

Does the policy insure your firm for its vicarious liability for your professional services? Yes. Claims are often made against real estate firms as a result of their licensees' negligence. The RISC policy applies to covered claims alleging the firm's vicarious liability for negligence in the insured licensee's professional services. Other policies issued to individual licensees may not provide coverage for the firm's vicarious liability, which may leave the firm uncovered in the event of a claim.

Are Insureds satisfied with the provider's service? Yes. Excerpts from actual emails we have received:

I don't think I can express how thankful we are at how quick all of you are to respond and what a great attitude you have. Makes my job a lot easier, I'll tell you that much. M.E.

THANK YOU!!! You are Awesome!!! M.P.

This looks great! We appreciate everything Rice is doing to help us out!! C.F.

A lot of agents are [enrolling] online and it's wonderful!!!! A.M.

I so appreciate all of your assistance with our new policy. D.O.

Thank you very much. I can't believe how incredibly responsive you have been. D.L.

I have found RISC and its staff to be very responsive and, most importantly, mindful of the stress that a claim brings upon a real estate practitioner. In every situation, their assistance and handling of claims has been very professional and their customer service has been exceptional. K.A.

NOTICE - Wyoming law requires that all actively-licensed real estate brokers, broker associates, and salespeople carry and maintain E&O insurance to cover all licensed activities. Re-activating and new licensees must obtain insurance before their license can be activated. RISC is pleased to offer the WREC's group E&O program for January 1, 2024 to January 1, 2025. Licensees may purchase insurance outside the group program, as long as coverage meets state requirements and proof of coverage is provided to the WREC as required by state law. If you are enrolled in the WREC's current group policy, your coverage expires January 1, 2024. Online enrollment at www.risceo.com is encouraged. If enrolling by mail, send your enrollment form (on back) and payment by Monday, December 11, 2023 to allow time for processing and return of your proof of coverage by mail. However, licensees may enroll through December 31, 2023 with no administrative penalty. Licensees who do not have insurance for the January 1, 2024 to January 1, 2025 policy period by January 1, 2024 may be in violation of licensing law.

Protection From the Most Experienced Provider in the Business - RISC's management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to meet the specific needs of Wyoming licensees. The insurance carrier is Continental Casualty Company (Continental), a CNA insurance company rated "A" by A.M. Best. RISC's experience and excellent claims service, combined with CNA's strong financial performance and ratings, ensures a quality program.

REVIEW THE FOLLOWING IMPORTANT INFORMATION

What Is and Is Not Covered - We urge all licensees to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, ext. 1.

This is a Claims-Made-and-Reported Policy - There is no coverage for claims first made before the beginning or after the end of your individual policy period (unless an extended reporting period applies). If you have any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. Any claim under the group policy must be reported to us in writing during the individual policy period in which it is first made against the insured. For further instructions and a notice of claim form, visit our website, www.risceo.com, then select the "Resources" tab and click "Forms" or call us toll-free at 1-800-637-7319, ext. 2.

Prior Acts and Importance of Timely Renewal - Your "retroactive date" determines whether your insurance applies to claims involving services performed before the new policy's effective date. The retroactive date is the date from which you have continuously maintained uninterrupted E&O insurance with no breaks between policy periods. Even a one-day gap will result in loss of coverage for ALL professional services performed before the new policy's effective date, even if you had E&O insurance when the services were provided and again when the claim arises. If you fail to enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, 2024 (subject to approval, \$20 cost if requested more than 60 days after group policy inception). This procedure will not remedy noncompliance with mandatory insurance laws, which may result in penalties and fines.

Not Renewing Coverage for Any Reason? Claims often arise years after the subject transaction occurred, but most E&O policies are claims-made-and-reported policies, which do not typically provide any coverage for claims that may arise after the end of the policy period unless an extended reporting period (ERP) is in place. If you are not renewing coverage for any reason (e.g., inactivating/retiring your license or switching to another provider), you should consider purchasing a 1, 2, 3, or 5 year or unlimited ERP endorsement to extend the policy's reporting date to apply to claims that are first made and reported within that period. An ERP endorsement may only be purchased any time during or up to 90 days after the end of your individual policy period.

Territory - Licensees domiciled in Wyoming are insured for real estate services performed anywhere they hold an active real estate license, provided the services would require a real estate license if performed in Wyoming. Licensees not domiciled in Wyoming are insured for Wyoming transactions only. Out-of-state licensees may be considered domiciled in Wyoming if their principal real estate license is affiliated with a real estate office in Wyoming and they reside within 50 miles of the Wyoming state line. See the Territory section of the policy for more information.

Effective Date - Licensees who enroll before January 1, 2024 will have a January 1, 2024 effective date. The inception date for licensees who enroll after January 1, 2024 will be the day we receive the licensee's completed enrollment form and premium. Licensees may request a different inception date (after January 1, 2024) for Continental's consideration:

Option for Enrolling Multiple Licensees - Companies with 10+ licensees can request a Multiple Licensee Renewal Form to electronically submit enrollment information for all the firm's licensees timely and expediently.

Firm Excess Coverage, Subject to Underwriting Approval - Firm excess policies with limits up to \$3,000,000 available to firms whose licensees are all insured through the group program (written by Continental). Contact us at 1-800-637-7319, ext. 3 for additional information.

Premium / Deductible - All premiums are fully earned at policy inception and no refunds are permitted after that date. If your payment is returned for non-sufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Enrollee agrees to reimburse Continental for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.

Enrollee has reviewed and understands the information contained herein. Enrollee declares that the above statements are true and Enrollee has not suppressed or misstated any material facts. Enrollee understands it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. Enrollee agrees this enrollment form shall be the basis of the contract with the Company and coverage, if written, will be provided on a claims-made-and-reported basis. Enrollee understands and agrees the completion of this enrollment form does not bind the Company to issue a policy.
