WHERE COVERAGE APPLIES

For licensees domiciled in North Dakota, the policy applies to professional services provided anywhere in the world, so long as the licensee is duly licensed in the state where services were provided and the services would require a real estate license had they been performed in North Dakota. Licensees not actually or considered under the policy to be domiciled in North Dakota are insured only for professional services rendered in North Dakota.

Please Support Your State Program

\$1.7+ Million in defense costs and damages have been incurred by Continental Casualty Company (a CNA insurance company) as of July 31, 2022 since 2003. RISC and CNA share a commitment to their insureds to provide valuable coverage to North Dakota licensees. When shopping for insurance, it's important to ask about the company's experience and paid claims in North Dakota. If a company is charging a very low amount, you may find the carrier doesn't provide much coverage or pay many claims.

The state group program offers affordable E&O insurance to every active and re-activating licensee by spreading the risk over a large number of insureds. Without the group program's low premium, other carriers have no incentive to offer real estate E&O policies at affordable prices. In states without a group program, real estate E&O premiums may cost thousands of dollars and some licensees report being unable to obtain insurance at any price.

Note – Licensees may purchase insurance outside this program, provided coverage meets state requirements & proof of coverage is provided to the NDREC as required by state law.

Rely on the Most Experienced Provider in the Business

The Rice family and their colleagues have specialized in mandated real estate E&O programs since 1989. CNA has 50+ years of experience in E&O programs, including 30+ years in real estate E&O. CNA is the top provider of real estate liability insurance, delivering 100+ years of experience, industry knowledge, and financial strength to manage even the most complex risks. You can be confident we will be here for you even after you purchase coverage.

When a Claim is Made, Our In-House Claims Adjusters Focus on You

Some people assume insurance companies look for reasons to deny coverage. Our duty to find coverage where the policy supports it is our utmost concern. Most insurance providers use one entity to sell the policy and another to handle claims. Because we do both, the information we provide about the policy reflects how it will actually apply in the event of a claim. Providers who don't administer claims may not know how the carrier actually applies the policy when a claim is made.

We Stand by You Even if there is a Claim

You may be involved in a claim even if you did everything by the book. Some providers won't write your coverage if you have had a claim. Or if you have a claim, they may not renew your policy! There is no need to fear reporting a claim under our program. We understand having a claim does not mean you did anything wrong. Anyone can be involved in a transaction that goes sour. Never think it can't happen to you. And we are here to help you if it does.

Our Website Makes Everything Easier

With our website, it's easy and convenient to enroll online and learn more about the group program. Take a look at our website and learn how RISC puts the Experience and Options in E&O programs.

All E&O Providers are Not the Same . . . Neither are All E&O Policies

Always Review the Actual Policy Provisions! The most accurate representation of what a policy covers is the policy itself. We recommend you review any policy you are considering and ask these questions:

Does the policy offer unlimited defense costs? Yes. There is no limit on the amount of defense costs for claims covered under the basic policy.

Does the policy insure transactions you do for relatives? Yes. The RISC policy applies to claims involving services performed for your relatives and in-laws. This is important, since buyers and sellers often turn to a trusted relative who is a real estate licensee to represent them in a transaction.

Does the policy apply to claims relating to all types of real property? Yes. The RISC policy applies to any claim relating to professional services, regardless of the type of property involved. Other policies may limit coverage to a specific type of property, such as residential, or require additional premium for coverage for other kinds of property. Even if you currently handle only residential transactions, consider whether you are willing to forgo an opportunity to work with commercial property or farmland or to risk not having coverage for a claim resulting from the transaction.

Does the policy insure your firm for its vicarious liability for your professional services? Yes. Claims are often made against real estate firms as a result of their licensees' negligence. Under the group program, the policy applies to covered claims alleging the firm's vicarious liability for negligence in the insured licensee's professional services. Some policies issued to individual licensees may not provide coverage for the firm's vicarious liability, which may leave the firm uncovered in the event of a claim.

Are Insureds satisfied with the provider's service? Yes. Below are excerpts from actual emails we have received:

I don't think I can express how thankful we are at how quick all of you are to respond and what a great attitude you have. Makes my job a lot easier, I'll tell you that much. M.E. (Support Specialist, large ND real estate firm)

THANK YOU!!! You are Awesome!!! M.P. (ND insured)

This looks great! We appreciate everything Rice is doing to help us out!! C.F. (Owner, large SD property management firm)

A lot of agents are [enrolling] online and it's wonderful!!!! A.M. (Contact for large SD firm with agents licensed in ND, SD, and NE)

It's nice to know that the person on the other end is actually reading and analyzing the reports. Unfortunately, far too often, that seems to be the exception rather than the norm. So, we really appreciate your attention to this case and have enjoyed working with you throughout this process. A.M. (defense counsel regarding our claims handling)

I so appreciate all of your assistance with our new policy. D.O. (SD insured)

NOTICE – Pursuant to North Dakota real estate licensing procedures and requirements, all active brokers and salespersons must apply to renew their license by November 15, 2022 and have E&O insurance in place before applying for license renewal. If you are currently enrolled in the NDREC's group policy, your insurance expires January 1, 2023. Active licensees applying for active license renewal no longer need to submit a certificate of coverage to the NDREC as part of their renewal (RISC will confirm enrollment with the NDREC). Online enrollment at www.risceo.com is strongly encouraged. If enrolling by mail, do so by Monday, October 31, 2022 to allow time for processing and timely notification to the NDREC. If insurance is not timely obtained or renewed, the NDREC may inactivate your license and issue other penalties. Active licensees may purchase insurance outside the group program, provided coverage meets state requirements and proof of coverage is provided to the NDREC as required by state law. New and inactive licensees must obtain insurance before their license can be activated/re-activated.

Protection From the Most Experienced Provider in the Business – RISC's management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to meet the specific needs of North Dakota licensees. The insurance carrier is Continental Casualty Company (Continental), a CNA insurance company. RISC's experience and excellent claims service, combined with CNA's strong financial performance and ratings (rated "A" by A.M. Best), ensures a quality program.

Option for Renewing E&O Coverage for Multiple Licensees – Companies with 10+ licensees can request a Multiple Licensee Renewal Form to electronically submit enrollment information for all the firm's licensees timely and expediently.

FIRM EXCESS POLICIES AVAILABLE – Firm excess policies (written by Continental Casualty Company) with \$1,000,000 limits are available on an underwritten basis. To qualify, all the firm's licensees must participate in the group program. Contact us for an application to obtain a quote.

ACTIVE AND RE-ACTIVATING LICENSEES – REVIEW THE FOLLOWING IMPORTANT INFORMATION AND SIGN BELOW

What Is and Is Not Covered – We urge all licensees to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, www.risceo.com, or by calling us toll-free at 1-800-637-7319, ext. 1.

This is a Claims-Made-and-Reported Policy – There is no coverage for claims first made before the beginning or after the end of your individual policy period. If you have any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. Any claim under the group policy must be reported to us in writing during the individual policy period in which it is first made against the insured. For further instructions and a notice of claim form, visit our website, www.risceo.com, then select the "Resources" tab and click "Forms" or call us toll-free at 1-800-637-7319, ext. 2.

Prior Acts and Importance of Timely Renewal – Your "retroactive date" determines whether your insurance applies to claims involving services performed before the new policy's effective date. The retroactive date is the date from which you have continuously maintained uninterrupted E&O insurance with no breaks between policy periods. Even a one-day gap will result in loss of coverage for ALL professional services performed before the new policy's effective date, even if you had E&O insurance when the services were provided and again when the claim arises. If you fail to enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, 2023. This procedure will not remedy noncompliance with mandatory insurance laws, which will result in penalties and fines.

Not Renewing Coverage through RISC's Program? Consider an Optional Extended Reporting Period (ERP) Endorsement – There is no coverage for claims that arise after the end of your individual policy period unless an ERP is in place. Claims often arise years after the subject transaction occurred. If you are not renewing coverage for any reason (e.g., inactivating / retiring your license or switching to another provider), you should consider purchasing an ERP endorsement. We offer 1, 2, and 3 year ERP endorsements to extend the policy's reporting date to apply to claims that are first made and reported within that period. An ERP endorsement may only be purchased any time during or up to 90 days after the end of your individual policy period.

Territory – Licensees domiciled in North Dakota are insured for real estate services performed anywhere they hold an active real estate license, provided the services would require a real estate license if performed in North Dakota. Licensees not domiciled in North Dakota are insured for North Dakota transactions only. Out-of-state licensees may be considered domiciled in North Dakota if their principal real estate license is affiliated with a real estate office in North Dakota and they reside within 75 miles of the North Dakota state line. See the Territory section of the policy for more information.

Effective Date – Licensees who enroll before January 1, 2023 will have an effective date of January 1, 2023. Licensees who enroll after January 1, 2023 will have an inception date of the day we receive the licensee's completed enrollment form and premium. Licensees not enrolled in the current group policy may request a different inception date (after January 1, 2023) for Continental's consideration: _____

Premium / Deductible – All premiums are fully earned at policy inception and no refunds are permitted after that date. If your license was not active at any time during the policy period, please contact us to see if you are eligible for a refund. If your payment is returned for non-sufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Enrollee agrees to reimburse Continental for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.

Enrollee understands that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. Enrollee agrees that this enrollment form shall be the basis of the contract with the Company and that coverage, if written, will be provided on a claims-made-and-reported basis. Enrollee understands and agrees that the completion of this enrollment form does not bind the Company to issue a policy.
